PlayHQ Registration

1. Login to PlayHQ
2. If you do not have an account, start by selecting "Forgot password?" as your PlayHQ account pulls on your mycricket ID that you have registered at a point for your player's statistics. Try entering an email that you commonly use, and if it does exist, you will receive an email to reset your account password.

You now need to link your PlayHQ account with your Cricket ID:

- A 'Cricket ID' is different to a MyCricket ID. A Cricket ID is a participant's key to the Australian Cricket digital ecosystem. Used to interact with all Australian Cricket apps and websites from the MyCricket App through to cricket.com.au. Your Cricket ID ensures a tailored experience across all these platforms.
- If registering a Child, please remember to create your PlayHQ account first. When registering a child, please make sure you link your Cricket ID to their PlayHQ account. Children do NOT need a Cricket ID.
- Use a Microsoft Edge or Safari browser when registering through PlayHQ, this will ensure you do not encounter any issues when trying to link your Cricket ID. If you use Mozilla Firefox or Google Chrome, you may encounter intermittent errors.

Begin the linking process, click 'Link Cricket ID':
